Owning an Instrument: If you would like to own a brand new high quality instrument, we offer 0% financing for 6, 12, or 18 months. Choose the terms and payment plan that work best for you.

Trade In or Trade Up: You may exchange your instrument outfit for another type of instrument or size at any time during the rental period. Renter's Credits will carry over to the new rental agreement. If you have upgraded your rental, your accumulated Renter's Credits are still valid if you decide to ultimately purchase an instrument.
